

Ancient Civilizations

FINAL DIORAMA (GROUP)

Group Members:

--

- You and your group will spend the last week of your Ancient Civilizations Project creating your futuristic diorama.
- Your diorama will need to follow the following instructions:
 - Include 5 3D structures from each member (15–20 total) that reflect the calculations you did in part 3 of the project.
 - Demonstrate futuristic characteristics based on the ancient civilization.
 - Include climate mitigations for each structure and your overall society that are obvious to your teachers.
 - Include newspaper covers somewhere alongside your civilization.
