

CULTURAL MAPPING FORMATIVE RUBRIC (PART 4)

3 points= Meeting Expectation, 2 points=Approaching Expectation, 1 point=Developing Expectation

2 points=Meeting Expectation, 1 point=Approaching Expectation, 0 points=Developing Expectation

1 point=Meeting Expectation, 0 points=Developing Expectation

CRITERIA	ELEMENTS	NOTES
Design 2 points	- A unique representation of your own cultural mapping system that spans all four quadrants. - In color and has extensive amount of detail.	
Plotting Landmarks 3 points	- Each quadrant has 5 distinct landmarks. - Each landmark is plotted and labeled correctly.	
Reflections (X-Axis) 2 points	- You correctly reflected two landmarks over the x-axis. - The original and reflected coordinates are correctly labeled.	
Reflections (Y-Axis) 2 points	- You correctly reflected two landmarks over the y-axis. - The original and reflected coordinates are correctly labeled.	
Roman Numerals 1 point	Each quadrant is identified with the correct roman numeral.	

Total: ____ /10

CULTURAL MAPPING SUMMATIVE RUBRIC (PART 4)

CRITERIA	ELEMENTS	NOTES
Design 6 points	- A unique representation of your own cultural mapping system that spans all four quadrants. - In color and has extensive amount of detail.	
Plotting Landmarks 20 points (5 per quadrant)	- Each quadrant has 5 distinct landmarks. - Each landmark is plotted and labeled correctly.	
Reflections (X-Axis) 4 points	- You correctly reflected two landmarks over the x-axis. - The original and reflected coordinates are correctly labeled.	
Reflections (Y-Axis) 4 points	- You correctly reflected two landmarks over the y-axis. - The original and reflected coordinates are correctly labeled.	
Roman Numerals 1 point	Each quadrant is identified with the correct roman numeral.
