

Ancient Civilizations

LESSON GUIDE (PART 2)

Lesson Directions:

1. Have each group pull a popsicle stick to choose an ancient civilization for their project.
2. Pass out the **Deep Dive Packets** to each group.
3. Students and the teacher will read the Deep Dive Packet directions together.
4. Have groups review the chunked sections and decide which team member wants which designated role.
5. Once students have decided their roles, they may begin their deep dive research.
6. Returning material
 - a. Students will return all materials to their designated group folder by the end of each class.
