

CULTURAL MAPPING

LESSON GUIDE (LAUNCH)

- Randomly assign your class to four groups.
- Place each group in a different quadrant to start their activity.
- Pass out materials:
 - Each group member receives the group handout.
 - Each group has a different handout.
 - Give each group a roll of painter's tape to plot coordinates.
 - Sharpie (for writing coordinates on tape)
- Have students rotate quadrants every 10 minutes.
- Have students turn in their final packets for a classwork grade.
